

Formula SAE Italy, Formula Electric Italy & Formula Driverless 2019 Information & Rules

Formula SAE Italy, Formula Electric Italy & Formula Driverless 2019 will follow chapters T, CV, EV, DV of the FS-Rules 2019 V1.1.pdf that may be found on the following link:

<https://www.formulastudent.de/fsg/rules/>

Additional regulations and integrations valid for the Italian event and not affecting the above mentioned chapters, will be published shortly.

They will be reported on the official event web site (<https://www.formula-ata.it/>) under the "Information & Rules" section (<https://www.formula-ata.it/information-rules/>).

In case of doubt, please refer to the technical committee at the following email address: fseitaly.rules@ata.it.

Please remember that motorsport can be dangerous, take always the maximum care during the entire event. Formula SAE is an educational event where all the students have the possibility to learn while having fun.
